

Student Recruiter

 Remote | Reports to: Director of Student Recruitment & Operations

 Full-Time |  Competitive Base Salary +  Performance-Based Incentives

Hasbara Fellowships is a mission-driven organization empowering Jewish student leaders to stand up for Israel and combat antisemitism on campus. We're looking for a **proactive, people-loving Student Recruiter** to help us identify and guide future changemakers for our immersive leadership programs in Israel.

Why Join Hasbara?

- **Work with purpose:** Hasbara isn't just a job — it's a mission. Every day, your efforts help students grow into confident, values-driven leaders.
- **Remote-first freedom:** We trust you to own your projects and work where you thrive.
- **Small, passionate team:** Your voice matters. We value your input, empower your ideas, and celebrate the impact you make.
- **Supportive culture:** You'll be surrounded by teammates who care deeply about our cause—and about each other.
- **Real impact:** You'll directly shape how students respond to some of the most pressing issues on campus and in the world.

Key Responsibilities

- Recruit top Jewish student leaders from your assigned region through calls, emails, digital outreach, events, and campus visits.
- Build and manage a student recruitment pipeline using HubSpot; keep student data and progress up to date.
- Represent Hasbara at Jewish and pro-Israel events, student fairs, and speaking engagements.
- Guide students from first interest to full enrollment—including onboarding, reminders, and support.

- Travel to Israel and support logistics, safety, seminar facilitation, and student well-being during our transformative Student Leadership Missions.
- Deliver educational sessions and help shape the experience during and after the trip.
- Drive post-trip engagement through campus projects, microgrants, and alumni programming.
- Assist with strategic initiatives such as special events, advocacy campaigns, and trip documentation.

✔ What We're Looking For

Required:

- Strong knowledge of Israel and Jewish campus life.
- Great communication and outreach skills—especially with students.
- Organized and detail-oriented; able to juggle multiple conversations and follow-ups.
- Self-starter who thrives with performance goals and mission-driven work.
- Willing and able to travel in the US and to Israel.
- Fluent in English.

Preferred:

- Prior involvement with Jewish or pro-Israel organizations.
- Familiarity with HubSpot or similar CRM tools.

This role is ideal for someone who wants to make a tangible difference—not only on individual campuses, but in the broader conversation around Israel, identity, and leadership.
